### CUTTING BOARD

Created specifically for the Red Line and Home Line slicers, the cutting board slides on the plate and fits perfectly. From the blade, the slices rest directly on the prestigious Italian walnut wood.

- HANDMADE IN ITALY
- ITALIAN WALNUT WOOD

### KNIVES

Over 120 years of passion for the perfect cut, Berkel presents a unique collection of knives, hand forged by the best Italian artisans. All the details make experience strength and excellence: the blade in German steel, the handles realized with the most precious materials and the exclusive design, typical of the best Made in Italy.

- HAND FORGED IN ITALY
- GERMAN STEEL BLADE
